

Holiday Connect Packages for Our College-Aged Young Adults

It's never too late to enroll your college-aged young adult in Holiday Connect - CBD Women's holiday package program. We will send at least three holiday packages to young adults ages 18 to 25-ish who are in college, or still 'under your wings' and just starting out on their own. We want to let our young adults know that, although they may be out of sight, they are never far from our hearts.

Enrollment in the program is required:

- Complete this form; an online fillable version can be found at www.beth-david.org/holiday-connect.
- A voluntary contribution of \$75 per young adult (the estimated cost of the 3 packages this year) is requested. You are welcome to increase your contribution to help offset costs.
- Make check payable to CBD Women; you can also pay on-line - select Holiday-Connect.
- Mail to Beth David, attention Holiday Connect; or email to cbd.holidayconnect@beth-david.org.
